

**Second Call for Papers
EXTENDED DEADLINE
Linguistics Society of New Zealand
19th Biennial Conference**

**17-18 November 2011
(Pre-conference workshops 16 November 2011)**

Hosted by
School of Linguistics and Applied Language Studies
Victoria University of Wellington
<http://www.victoria.ac.nz/lals/research/nzlingsoc2011.aspx>

**Plenary speakers: Prof Kon Kuiper (University of Canterbury)
Prof Diana Slade (UTS, Sydney)**

NEW Abstract Submission Deadline: 15 July 2011

Abstracts are invited for paper and poster presentations in all areas of linguistics (including sociolinguistics/language and society), and from any region or language of the world.

All paper sessions will be 30 minutes long, with 20 minutes for presentation. Posters will be displayed throughout the conference, with a dedicated poster session for authors to present and discuss their work.

Please submit abstracts by email no later than 15 July 2011 to lingsoc@vuw.ac.nz

In the body of the email, include:

- title of the submission (indicating if you would like the abstract to be considered for a paper or a poster)
- name(s) and affiliation(s) of the author(s)
- indication of which author(s) will present the paper/poster
- name of contact author, with email address, postal address, phone and fax numbers.

Attach to the email a separate Word or PDF document containing the title and abstract (but no identification of authorship). Abstracts should be no more than 250 words long.

Abstracts will be reviewed anonymously by the Programme Committee, and evaluated on grounds of their scope and quality. Authors will be notified of the outcome of their submission by mid-August 2011.

We also welcome ideas for a student and/or subject conference session. Email lingsoc@vuw.ac.nz.

The conference will be preceded by two parallel interactive workshops
on Wednesday 16 November
(details for registration are available via the conference website)

***Workshop 1: Multimodality (facilitated by Associate Professor Sigrid Norris, AUT)
Workshop 2: Politeness (facilitated by Dr Michael Haugh, Griffith University)***
